Gentlemen:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

We have further determined you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in section ~~509(a)(1)~~ and 170(b)(1)(A)(vi).

You are not liable for social security (FICA) taxes unless you file a waiver of exemption certificate as provided in the Federal Insurance Contributions Act. You are not liable for the taxes imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes. If you have any questions about excise, employment, or other Federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

If your purposes, character, or method of operation is changed, please let us know so we can consider the effect of the change on your exempt status. Also, you should inform us of all changes in your name or address.

(Over)

M.K.

If your gross receipts each year are normally more than \$5,000, you are required to file Form 990, Return of Organization Exempt From Income Tax, by the 15th day of the fifth month after the end of your annual accounting period. The law imposes a penalty of \$10 a day, up to a maximum of \$5,000, for failure to file a return on time.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Please keep this determination letter in your permanent records.

Sincerely yours,

E. H. Klinzman
District Director

HISTORY OF MONMOUTH BEACH FIRST AID SQUAD

On August 18, 1950 Sea Bright First Aid Squad donated a 1949 Chevrolet ambulance to some of the residents of Monmouth Beach, with the understanding that they would form a First Aid Squad.

After several meetings a 20 member squad was formed as a non profit organization operated exclusively for the promotion of social welfare. Our first problem was promulgation, training, and obtaining a charter. We assessed our selves \$5 per member to obtain stamps and stationery to mail letters to the residents of Monmouth Beach and notify them of this service. On September 23, 1952 we signed our charter. By October 10 we finished a standard and advanced First Aid Course and adopted our bylaws.

1953

Our major problem was up to date major equipment and a place to keep the ambulance. We approached the Fire Company and were permitted to house the ambulance in their building until such time that we obtained a building of our own. We sold x-mass trees and eggs and organized a fund raising drive. By the end of the year we were able to purchase a \$600 reeussitator and some lesser equipment.

1960 to 1971

During 1960 we found the amount of time we were spending on fund raising was unreasonable therefore we discontinued the eggs and x-mass trees and limited our fund raising to donations. This enabled us to find time for further training. We provide full certified first aid service twenty four hours a day three hundred and sixty five days a year. We acquire the equipment necessary for our function within the limits of our finances. We have acquired a building, property, a second ambulance and many pieces of equipment necessary for our function as one of the best first aid squads in the country.

proposed activities

We propose to provide full certified first aid service consistent with the state of the art, twenty four hours a day three hundred and sixty five days a year. We also propose to acquire the finest, modern, up to date equipment possible limited only by the amount of donations we are able to solicit, which we intend to do to the best of our ability. Our reputation for excellence may be verified by any resident in Monmouth Beach, bar none, and we intend to keep it this way.
